Library web site

The screenshot shows the Tokyo Institute of Technology Library website. At the top left is the logo and name: 東京工業大学附属図書館 (Tokyo Institute of Technology Library). To its right is a red button labeled "Online Request". Further right is a green button labeled "日本語" (Japanese) and the Tokyo Tech logo. Below these are links for "Access" and "Sitemap", and a search bar labeled "Search this site". A teal navigation bar contains "Services", "Search & Find", "Learning Support", and "Contact Us". The main content area features a large image of students in a library. Overlaid on this is a "Library Catalog" search box with the text "Search for books, journals, and more" and a "search" button. Below the search box are two buttons: "E-Journals, E-Books" (highlighted with a blue box) and "Databases" (highlighted with a yellow box). A light blue callout box labeled "Library Catalog" points to the search box. A light blue callout box labeled "E-Journals & Ebooks" points to the "E-Journals, E-Books" button. A yellow callout box labeled "Databases (Available in campus network)" points to the "Databases" button. Below the main content area are two red alert boxes: "June 17, 2020 【To Tokyo Tech Members】 Conditions to use Ookayama Library (August 18 Last updated)" and "June 17, 2020 Notice to visitors: Suspension of our services for non-campus members". At the bottom left is a "News" section. At the bottom right is a "Today's Hours" section with a QR code. A large orange banner at the bottom contains the URL: <https://www.libra.titech.ac.jp/en>.

Attention to the use of Electronic Information Resources !

When you use electronic information resources such as licensed databases, electronic journals and ebooks, comply with the copyright law and terms of use strictly.

If you do not comply with these terms and conditions, **it may result in loss of access to these resources for the entire Tokyo Tech community.**

Large-scale downloading that is indistinguishable from non-individual use is prohibited.

- It is prohibited to download a lot of files continuously using automated downloading software.
- Even if you download manually, it shall be considered as excessive use if you download a lot of files at one time.
- Use only required article in your study and research.

Please be aware that publishers may monitor the use of electronic resources to ensure that the terms of the license agreement are enforced.

There were some cases of violation by laboratories in the past, which resulted in suspension of access not only for the individual violator, but for the entire institution.

The actions listed below are also prohibited.

- Use for any purpose other than academic research and education.
- Reproduction and distribution to others.
- Any other activities that infringe on the copyright law.
