東京工業大学
Tokyo Institute of Technology

附属図書館
Library

Suzukakedai Library

Location

Here!
(S3 Bldg.)

Opening hours (Class Term)

Weekdays

8:45 a.m. to 9 p.m.

Weekends & Holidays

11 a.m. to 5 p.m.

	Books	Journals (number of titles)	E-Books	E-Journals
International	60,201	1,226	33,142	11,986
Japanese	50,144	377	1,946	22
Total	110,345	1,603	35,088	12,008

1st floor

Library Counter

Exhibition corner for Honorary Professor Yoshinori Ohsumi

Communication Lounge
"Student Life Coach" & "Career Information Corner" are also installed

Peripatos Collection:
Mainly consists of novels and paperbacks to enjoy reading between studies for a refreshment

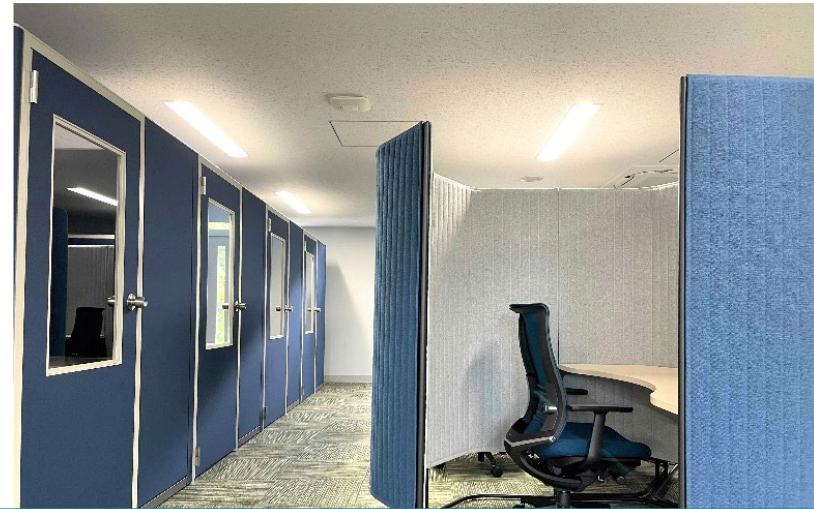

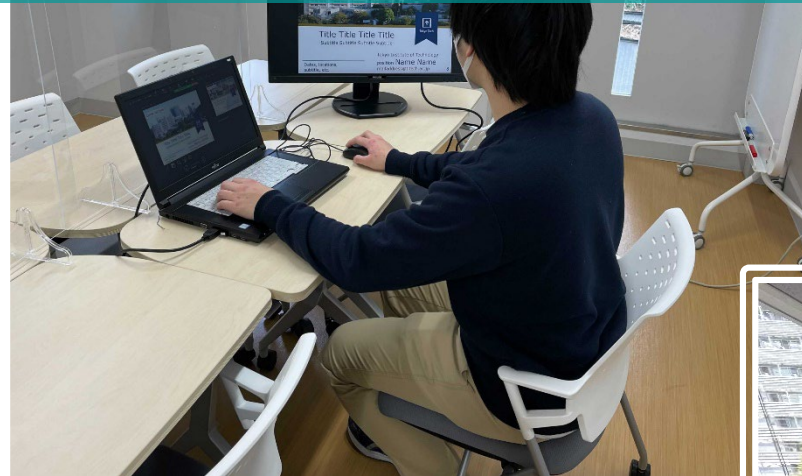

2nd & 3rd floor

6 Seminar Rooms at 2nd floor

Capacity: from 1 up to 20 people

For online meeting and job hunting etc.

Easy reservation through Web system S&F

Personal Research Area at 3rd floor

Various types of spaces with power supply
(booths with doors, semi-closed rooms, and sofa type)

Advance reservation not required

Campus Wireless LAN is available throughout the library

Plenty of space for personal study and research

Check Out / Renew

You can check out **15 books** for **4 weeks**

- A student ID card is required
- Please come to the Library counter or use Self-check out machine
- **Journals and reference books** are restricted to in-library use.
- If the book is not reserved, you can renew it an unlimited number of times at the Library counter

Library Counter at 1st floor

Self-checkout Machine

Return

You can return books at either Ookayama or Suzukakedai Library.

Library Counter at 1st floor

Book return bin at the entrance

Attention

If you miss the due date, **you will not be able to borrow, renew, or reserve any books** as many days as the book is overdue.

Other Services

- Reserve

You can reserve checked-out book.

- Order

You can order books from the other campus.

- ILL (Interlibrary Loan)

You can order materials from other libraries.

All the services above are available online

- Electronic Materials and Databases

You can use E-Journals, E-Books and databases from your home .

For more information→

Library Web Site

The screenshot shows the homepage of the Tokyo Institute of Technology Library. At the top left is the logo and name: 東京工業大学附属図書館 (Tokyo Institute of Technology Library). At the top right are links for 'Online Request', '日本語', and the TokyoTech logo. Below these are links for 'Access' and 'Sitemap', and a search box labeled 'Search this site'. A teal navigation bar contains 'Services', 'Search & Find', 'Learning & Research Support', and 'Contact Us'. The main content area features a large teal box with a search bar for the 'Library Catalog' and buttons for 'E-Journals, E-Books' and 'Databases'. A red box highlights the 'Online Request' link, and a pink box labeled 'Online Request' is connected to it by a red line. A green box highlights the 'Library Catalog' search bar, and a green box labeled 'Library Catalog' is connected to it by a green line. A blue box highlights the 'E-Journals, E-Books' button, and a blue box labeled 'E-Journals & E-Books' is connected to it by a blue line. A yellow box highlights the 'Databases' button, and a yellow box labeled 'Databases (Available in campus network)' is connected to it by a yellow line.

The screenshot shows a library website interface. At the top right, there are links for 'Help', 'Ask Online', and 'FAQ', along with a language selector set to '日本語' and font size options for 'small', 'medium', and 'large'. The main navigation bar is teal and contains several menu items: 'Home', 'Your Profile Confirm/Change', 'Borrowing Status, Reservation and Renewing', and 'Ordering Articles/Interlibrary Loan'. Below this, there are more options: 'Recommending / Requesting Books', 'Book Review', 'Reading Record List', and 'Subscribing Journals'. A link for 'Reserving facilities (link to Web system for S&F)' is also present. Below the navigation bar, there is a section titled 'Information from library' containing a notice about faculty members retiring at the end of March and a list of bullet points regarding library services. An orange box highlights the 'Ordering Articles/Interlibrary Loan' menu item, with an arrow pointing to a text box that says 'Order materials from other campus [paid service] and other university libraries'. Another orange box highlights the 'Your Profile Confirm/Change' menu item, with an arrow pointing to a text box that says 'Check materials you have checked out' and 'You can renew an item up to three times if it hasn't been reserved'. A third orange box highlights the 'Borrowing Status, Reservation and Renewing' menu item, with an arrow pointing to a text box that says 'Order materials from other campus [paid service] and other university libraries'. The text box for 'Ordering Articles/Interlibrary Loan' also has an arrow pointing to it from the right side of the page.

Information from library

To the faculty members who are to retire at the end of March
Please inform the students and laboratory members who are permitted to use your public expense about this.

- The library bears the cost of students' ordering materials from other institutions with "private expense"

Agreements on Tokyo Tech Information and Communication Infrastructure

On the use of Tokyo Tech Information infrastructure, I will obey "the Tokyo Tech Information Ethics Policy & the Tokyo Tech Security Policy" given in Guidelines for Information Ethics and Security, the Guideline for the Tokyo Tech Information Infrastructure Use and Dealing with Communication Records.

Please be sure to update the certificate management tool to do IC card authentication after you renewed your IC card.

IC card authentication (See the manual for setting up)

Matrixcode, One-Time Password(OTP) or Soft Token authentication

*For those who forget a password of Matrix/OTP Auth., please refer to this page.

Guideline for the Tokyo Tech Information Infrastructure Use

Those who violate the following regulation, will be temporarily suspended from using Tokyo Tech Information Infrastructure. The countermeasure against the violation will be finalized by the Tokyo Tech Information Ethics Committee.

1. Use one's own account only (do not use others' account or do not let anyone use your account);
2. Verify that there is no security problem when connecting your computer to Tokyo Tech Information Infrastructure;
3. Do not violate Intellectual Property Right;
4. Do not act against good public order and customs;
5. Do not perform fraud acts, such as pyramid scheme;
6. Do not engage in defamation or harassments;
7. Do not deliver intentional attack;
8. Do not use P2P software such as indicated in this list;

Attention to the use of Electronic Information Resources !

When you use electronic information resources such as licensed databases, electronic journals and e-books, comply with the copyright law and terms of use strictly.

If you do not comply with these terms and conditions, **it may result in loss of access to these resources for the entire Tokyo Tech community.**

Large-scale downloading that is indistinguishable from non-individual use is prohibited.

- It is prohibited to download a lot of files continuously using automated downloading software.
- Even if you download manually, it shall be considered as excessive use if you download a lot of files at one time.
- Use only required article in your study and research.

Please be aware that publishers may monitor the use of electronic resources to ensure that the terms of the license agreement are enforced.

There were some cases of violation by laboratories in the past, which resulted in suspension of access not only for the individual violator, but for the entire institution.

The actions listed below are also prohibited.

- Use for any purpose other than academic research and education.
- Reproduction and distribution to others.
- Any other activities that infringe on the copyright law.

For more details on the proper use of electronic information resources

https://www.libra.titech.ac.jp/en/ej_notice ※You can access via QR code

If you have any questions, please contact our “Ask Service”.
